NATHAN A. TIRRELL

DEDICATION

CARL B. PATTEE

Since my arrival in Goffstown, I have been impressed by two life long residents of Goffstown whose combined ages date beyond the War of 1812. I am still impressed by their daily activity, vigor and zest of life as they approach their tasks. Both men have dedicated their adult life to public service, and although one has ostensibly retired from public life and the other promises to retire from several offices, I find them both actively engaged in the promotion of the welfare of Goffstown, either on the State or local levels.

Therefore it is with great pride and joy to dedicate this Annual Report 1963 to:

NATHAN A. TIRRELL and CARL B. PATTEE

For their devotion and public service to the Town of Goffstown.

L. W. POMERLEAU,
Town Manager.

TOWN MANAGER'S REPORT

Honorable Board of Selectmen
and Residents of
Goffstown, New Hampshire

It is my honor and pleasure to submit to you the enclosed annual report. The pleasure is doubly mine; not only because of my capacity as your first Town Manager, but also because of valuable assistance received in the preparation and compilation of this report from the several department heads, Boards, Committees and Commissions. Without their assistance and reports, the task would have been immeasurably more difficult.

I wish to take this opportunity, and if I may, avoid any statistical references for the accompanying report will provide all this data, to thank the many residents of the Town of Goffstown for their support, vocal and actual, in easing the task of transition, which was mine at my arrival July 1, 1963, and in facilitating an otherwise difficult period for a newcomer resident.

I have served you, the residents of Goffstown, for eight months; it is an experience that I have enjoyed, found worthwhile and in some cases challenging, but always stimulating.

And finally my grateful appreciation to the Board of Selectmen for their advice and cooperation in their aggressive leadership to make the Manager Plan in general, and my tasks specifically, a successful venture. I hope you will find reason to concur in this evaluation.

Respectfully submitted:

L. W. POMERLEAU,
Town Manager.

Board of Selectmen and Manager at Their Regular Meeting

SELECTMEN'S REPORT

This year the Town of Goffstown witnessed an unusual and, to many people, dramatic change in the administration of the Town. Concurrent with your will and desire as expressed by your vote on March 12 of 1963, we, the Board of Selectmen, always responsive to your will, employed L. W. Pomerleau as Town Manager, who assumed his duties on July 1, 1963.

Soon after his arrival, several suggestions were presented and received approval of the Board of Selectmen and were implemented. We, as your elected representatives of the Town, have been kept completely informed, probably for the first time in several years, of the occurrences that affect the every day administration of the Town. We now have coordination between departments that seldom existed in the past, and have achieved a degree of efficiency never realized before.

We, the Board of Selectmen, recognize the need for good government, but in our expanding economy and population growth, the Town needs and requires **efficient** as well as good government, and we believe that you, the voter, have provided the answer by your vote for the Manager plan.

The many problems that have been stated in the past will be repeated again in this letter. The Town still operates two dumps, both within immoderately close distances from our population centers. Not only are these locations unsuitable from the point of view of comfort and safety, but we have been informed of

the health hazard involved because of the possibility of stream pollution, and the infestation of rodents. This year you the voter will have a chance to eradicate this condition and acquire a service provided by the Town, if you approve of articles No. 13 and No. 14 of the Warrant. It is not only necessary that you vote, but that your wife and your neighbors be there to vote if you feel this service is desirable. The cost of this equipment will be paid by appropriations approved in the previous years and held for just such a situation.

The operation of this service will provide maximum efficiency and house to house service because of the full time supervision of our administrator, the Town Manager.

We feel that good, efficient and worthwhile achievements were made in 1963, and we feel that this trend has been a benefit to the Town although instituted within a recently short period and the future of Goffstown stands only to gain in development, efficiency and stature if you the voters, continue in your wisdom, the program which you initiated in 1963.

Among other situations which require serious thought from all the citizens, is the matter of planning for the future, not only as individuals but as a community. This will require projecting Goffstown's role; whether it should remain a bedroom community, does it have the potential and requirements for industry, if so then what type of industry, is it a desirable industry or not from the community point of view. Concurrent with this approach is the need for revaluation, tax and planning maps, the establishment of a completely new

system of records; we live in the year 1964, our records were obsolescent in 1900 when the population and property value was less than 20% the number of current population and property value. These are some of the points that we must regretfully point out, and remind you. We have an exploding school population, this in turn will require additional expense and expansion of schools, and in time additional housing, an increase of property valuation, which if we do not prepare for, may mean a loss in part if not total of tax revenue, thereby placing the burden upon the taxpayer who is included. The Town has lost some time in this direction, but it is not too late to correct this oversight. Only when you the resident and voter, devoted to furthering the aims of your community recognize these problems and act to rectify these, can we your elected officials attempt to resolve them.

You will find several changes in the Town Report this year. These changes were made to better inform the reader interested in the administration, the disbursement of appropriations, and operation of the several departments. You will find a more extensive report of highway department expenditures this year, as contrasted to the previous one line statements of the past. We invite your attention to the monthly breakdown of expenditures in this department, you will find this quite as informative as we did.

Although the budget is higher this year, you will find several reasons, at first glance, for this increase. Election and registration increase is required in view of the Presidential Primary, September Primary and

National Election in November. The police department is requesting an increase of \$3,750 for salary of an additional officer on the force. There is a request of \$6,900 which was not included in our budget of 1963; this amount will be matched equally by the State for improvement of our roads. There is an article requesting \$3,100 for painting the Grasmere Bridge. Despite these increases and additional articles, if completely approved, the total amount to be raised by taxes will remain substantially the same as last year. This is due in part to a more realistic estimate of revenue, and by finding new and expanding available sources of revenue.

We hope this message has been a source of information to you, and that you find our recommendations worthwhile. We, the Board of Selectmen, and our Town Manager, Mr. Pomerleau, have cooperated very closely with your budget committee, in the study of proposals and alternatives and we submit this Warrant and budget as our recommendations for 1964.

1963 IN REVIEW

The year 1963 began rather ominously. We all remember the blizzard that occurred on December 30, 1962. But all was not stormy, for the New Year

Communications Center, Fire-Police Station

brought some changes that affected the majority of us.

What were the accomplishments of 1963? In January, Goffstown established full time operation of the

Communications Center, one of the few available in the State of New Hampshire. Of course, the new Fire-Police headquarters was completed and made available for occupancy. This building is a well earned source of pride and satisfaction to every resident of Goffstown.

In March, the voters provided a mandate for the appointment of a Town Manager. This decision was implemented by my appointment June 19, although I did not officially assume my duties until July 1.

Soon thereafter, with the approval of the Board of Selectmen the Town acquired a cruiser for the Police Department. By this acquisition, the Town avoided mileage payments in excess of \$6,100 in 1963, and had a full time car at its disposal, and owned the vehicle thereby avoiding another round of mileage payments this year and next, ad infinitum.

Another step taken was the supplying of gas to our town owned equipment. Thorough investigation of the several possibilities ensued and the alternative most beneficial to the Town was the one which was pursued and adopted. The Town purchased and installed a 2000 gallon tank and pump, and shared in the State of New Hampshire gas contract. This procedure not only provided lowest cost, but also a minimum of record keeping. Since the institution of this procedure in August, the Town received to date, refunds of nearly \$800 from the Road Toll Division of the Department of Safety. Our estimate of gasoline consumption for 1964 is 25,000 gallons, so you can see that keeping records can be worthwhile when every gallon consumed will result

as a .07 refund to the Town as well as a .04 Federal exemption, totalling to .11 per gallon. Our new gas contract (1964) has reduced the cost to .11½ per gallon after refund.

Other additions which were noted immediately was the addition of a pick-up truck to the Highway Department for use by the Road Agent. In the past, that is until mid August, the Road Agent had been receiving a mileage allowance of \$35 per week, this amounts to \$1,820.00 per year. This pick-up was purchased for \$600, thereby voiding the mileage payment and gaining an additional vehicle. Another important change was the installation of 2 way radio in this vehicle with the Road Agent providing instantaneous communications which in the past had been non-existent.

Street lighting was a major topic of conversation in the Village; in November we noted new fixtures and brighter lights on Main Street. Although fewer lights are in use, the illumination covers a wider area, and is brighter. The old assorted fixtures and incandescent bulbs were replaced with a single uniform modern fixture with mercury lamps. We hope you approve of the change.

Within the office several changes and in several cases institution of new systems were involved. Prior to July scant if any records were maintained of Welfare applicants and recipients. We now have a folder file on each that is periodically reviewed. In many cases these may be transferred to a State program.

Other innovations include the use of a payroll system. Although inexpensive and simple, this system provides not only an economy, but what is more necessary, an accurate up to date reflection of the weekly payroll by category and departments. The economy

Additional Highway Equipment Acquired in 1963

results in the lower cost per check issued since the initiation of this system in August, the Town issued 702 payroll checks to December 31, 1963.

There are other changes too minor to mention, or

too simple to report, but these are the ordinary daily occurrences and where we feel a simple change will reduce duplication of a process we attempt to put it into practice.

Installing New Street Lights in the Village

This past year has not been without its apparent lack of accomplishments. One that readily comes to mind is the proposed extension of Laurier Street to Louis Street to compensate for the closing of Higgins Street. Because of apparent serious legal entanglements,

construction of this thoroughfare was delayed to resolve any technical legalities, and we hope to have this project completed by September of this year.

I hope this review of 1963 has been informative, and might even have reminded you of some projects that involved you personally and directly that I may not have discussed. There are many such occasions when filling of a pot hole, or plowing a snow covered street at the right time means more to the resident than all the major projects completed. I hope you have been satisfied, from here I can say it was a most satisfactory and fruitful year.

L. W. POMERLEAU,
Town Manager.

1964 TOWN WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Goffstown in the said County of Hillsborough, in said State, qualified to vote in Town Affairs and to the Inhabitants of the School District in the Town of Goffstown qualified to vote in School District Affairs:

You are hereby notified to meet at the Goffstown High School in said Town on Tuesday, the 10th of March, at ten o'clock in the forenoon, except those who reside in the Fifth District Voting Precinct, who are notified to meet at Bartlett School at 10:30 o'clock in the forenoon to act on the following subjects:

(Polls close at 7:00 P. M. at the Central Polling Place and at 6:30 P. M. at the Fifth District.)

None of the articles in the warrant, except those relating to the election of officers and those covering questions on the ballot, shall be considered during the time that the polls are open.

1. To choose all Town Officers and Agents, and School District Officers for the ensuing year, including a member of the Board of Selectmen for three years.

2. To see if the Town will vote to adopt the budget as submitted by the Budget Committee in the amount of Three Hundred Forty-Six Thousand Three Hundred Thirty Dollars and Sixty-Nine Cents (\$346,330.69) and

raise by taxes the sum of Two Hundred Fifty Thousand Five Hundred Ninety-One Dollars and Twenty-Six Cents (\$250,591.26) (county tax not included).

3. To see if the Town will vote to authorize the Selectmen to borrow from time to time, such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real Estate acquired by the Town through Tax Collector's deed, purchase, prescription or gift.

5. To see if the Town will vote to amend the vote on Article 17, in the year 1958 to accept a gift by deed from Alfred and Olivene Danis of a piece of land for a right of way thirty feet wide (instead of forty feet) and exit northerly from Mast Road to a dead end and to lay out, accept and improve said street over said land; said street to be bulldozed by said Danis.

6. To see if the Town will vote to accept a gift, by deed, from Earle F. and Marion L. Dubois, of the following; a forty-foot wide strip of land, five hundred and seventy feet (570) in length, running westerly from Paige Hill Road, to be known as Mountain View Drive. Said strip having been bulldozed to grade and gravelled by said Dubois.

7. To see if the Town will vote to authorize the Selectmen to sell a wedge-shaped piece of land, adjoining rear of 12 Church Street, and measuring 149'

x 35' more or less and containing approximately 2600 square feet; bounded by property of Harold Lakeman, which property was acquired by purchase.

8. To see if the Town will vote to authorize the Selectmen to close Higgins Street from the northwest corner of land now owned by Fernand Roy to Mast Road.

9. To see if the Town will vote to petition the State Tax Commission for an audit of the accounts of the Town beginning in the year 1965.

10. To see if the Town will vote to authorize the Selectmen to appoint one Highway Agent instead of electing the Highway Agent by ballot at the Annual Meeting agreeable to RSA 245:6. This method to take effect at the 1965 Annual meeting.

11. To see if the Town will vote to exclude from the charge, control and supervision of the Town Manager, the construction, maintenance, and repairing of all Town roads, highways and bridges, and to intrust such charge, control and supervision to the Highway Agent, according to the provisions of RSA, Chapter 245:1.

This article inserted by petition of ten legal voters.

12. To see if the Town will authorize the establishment of a Capital Reserve Fund for the purpose of purchasing a new fire truck when necessary, and will vote to raise and appropriate the sum of \$1,500.00 as initial

payment into said Capital Reserve Fund. Approved by the Budget Committee.

13. To see if the Town will vote to amend the purpose of Capital Reserve Fund, Highway Equipment, to include the following purposes: The purchase of crawler tractor and garbage - refuse collector - compactor body and truck. (2/3 majority required) Approved by Budget Committee.

14. To see if the Town will authorize the expenditure of Twenty-two Thousand Dollars (\$22,000.00) from Capital Reserve Fund, Highway Equipment, for the purchase of a new crawler-tractor for sanitary fill and a garbage and refuse compactor-collector body and truck. Approved by the Budget Committee.

15. To see if the Town will vote to raise and appropriate Three Thousand, One Hundred Dollars, (\$3,100.00) to paint the Grasmere Bridge. Approved by the Budget Committee.

16. To see if the Town will raise and appropriate the sum of One Thousand Three Hundred and Fifty Dollars for salaries of the Goffstown District Court as approved by the New Hampshire Legislature, 1963 Session, pursuant to RSA 502-A. (Ch. 331, laws of 1963.) Approved by the Budget Committee.

17. To see if the Town will vote to raise and appropriate the sum of Five Thousand Six Hundred and Fifty Dollars (\$5,650.00) for the establishment and maintenance of the Goffstown District Court pursuant

to RSA 502-A:31, (Ch. 331, laws of 1963.) Approved by the Budget Committee.

18. To see if the Town will raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.00) to be expended at the Barnard Playground for the following purposes:

- a) Five Hundred Dollars (\$500.00) for the repair of the grandstand.
- b) One Thousand Dollars (\$1,000.00) for the erection of fences for the tennis court.

Approved by the Budget Committee.

19. To see if the Town will vote to raise and appropriate Five Thousand Eight Hundred Dollars (\$5,800.00) for the construction of proposed Laurier Street Extension in Pinardville.

Approved by the Budget Committee.

20. To see if the Town will vote on the following question:

"Do you favor the continuation of the Town Manager Plan now in force in this Town?"

This article inserted by petition of ten legal voters.
(By ballot)

21. To hear the reports of Agents, Auditors, and Committees and to pass any vote relating thereto.

22. To transact any other business that may legally come before said meeting.

23. To choose Delegates to the Constitutional Convention.

24. To vote on the question "Shall sweepstake tickets be sold in this city or town?"

Given under our hands and seal this twenty-fourth day of February, 1964.

WILFRID J. CLOUTIER,
ELMER B. NICKERSON,
JOHN R. LANGLEY,

Selectmen.

VIEWING THE FUTURE

The year 1964 promises to be one of activity and innovation for Goffstown. Not only will this activity affect us locally, but the forthcoming Presidential Primary should inject Goffstown to some national prominence.

Representatives of the three major television and radio networks have been in touch with this office and/or the Town Clerk since September of last year. Newspaper and other media are being encouraged to report the Primary results, and every courtesy is being extended within legal limits.

Of local interest, however, we have many projects which have been mentioned in previous reports. The house to house refuse collection and sanitary land fill program; this service will avoid the traditional weekly

trip to the dump by all of us, and provide reclamation of otherwise nearly worthless property to valuable land and thereby benefit the town in general by receipts of additional tax revenue.

As mentioned before we hope to complete Laurier Street extension by September; the drainage project in Pinardville should be completed by late spring. Other State-Town projects include the paving of Main Street in the Village, and sidewalk reconstruction; in Pinardville construction of curbed sidewalks and paving of Pinard Street and Mast Road. Of course, Gorham Pond Road which was widened last year will be paved this year, and the project carried on forward, weather conditions permitting.

These projects, of course, are in addition to the normal daily tasks of the highway department. Planning has already begun, in some instances preparations were made last fall.

Other departments are moving ahead also. The police department is looking forward to expanding the force with an additional officer. Although they are responsible for a very fine job in the past, the responsibility of the department has increased to such an extent that an additional officer is required. This department will also acquire a new cruiser this year, and thereby increase the efficiency and mobility of the department.

Although the Fire Department has no plans for major change, it has acquired, at no cost to the Town, a tanker truck through the New Hampshire Forestry Department. This is a six wheel drive vehicle capable

of operating over rough terrain, or paved roads. This is a valuable addition to our fire protection service; the only cost to the Town is that of equipping and maintaining of the truck. Preparation of this truck is being done by the Volunteer Fire Department who exude an interest and determination in this task seldom demonstrated by any group.

Goffstown, in July 1964, will enter a new role in the Judicial field. The Legislature of 1963 established Goffstown as a District Court for Goffstown and the neighboring towns of New Boston, Dunbarton and Weare. This, of course, means a new recognition and status for Goffstown, but also carries additional responsibilities. We must provide a new court room, and appropriate salaries according to a newly approved schedule, but the returns should be beneficial to our community.

Within the administration of this office we have several innovations to introduce. We plan a new system of bookkeeping, and accounting for funds disbursed from this office. In 1963 this amounted to \$1,250,000.00. This is a lot of money by any standard. We are also asking your approval for annual audit by the State Tax Commission, this will not necessarily obviate the need and usefulness of our locally elected auditors, but will supplement their task. The school department has had an annual Tax Commission audit for several years. We hope you will approve of this.

Changes are being planned in the system of property tax billing. In the past your tax bill did not indicate a description or location of the taxed property; it will be a huge task but we hope to rectify this situation.

If, however, we are totally successful in providing this latter service, we hope you will bear with us, for many changes are needed and wanted, and this an accumulation of several decades of delayed progress.

Our interest roams in several other sectors though not necessarily and officially assigned duties of the Town Manager. At various times we have been in communication with industrial groups interested in Goffstown. In January of this year I had the pleasure of introducing a company official of a large corporation to a proprietor of industrial property in Goffstown. We have called and visited and have been visited by representatives of the N. H. Economic Planning Development Division. Plans are being made to form a coordinating body to include State and Town planners, Town Manager and Selectman representative.

In the recent past we have been visited by a representative of a consultant that is making a survey of Goffstown, with the consideration of a commercial development within our Town. This would add much needed stimulation to business, and add to our tax revenue.

A development which has received a little attention is the ski resort under construction on Wallace Road, on property formerly owned by Richard Demers, by the Snow-Bird Corporation of Lynnfield, Mass. Company officials hope to have their tows in operation for winter of 1964-65.

This has been a summary of our plans for the coming year. Of course, it is impossible to foresee the future,

and prepare for all contingencies and demands, but by applying foresight to obvious needs, we can avoid in many cases conditions that would otherwise develop. We hope you approve of this report.

Respectfully submitted,

L. W. POMERLEAU,
Town Manager.

TOWN CLERK'S REPORT

Record of Town Meeting March 12, 1963

Meeting called to order at 9:55 o'clock in the forenoon by the Moderator Gordon F. Burns. He then read Article No. 1 of the Warrant. The reading of the balance of the Warrant he deferred to 7:00 o'clock in the afternoon. Checklists for voting were posted and ballots for the 5th District Polling place were counted, sealed and delivered to the Moderator for said District, Wilfrid J. Cloutier.

Wilfrid J. Cloutier made the following motion: I move that the polls be now opened for voting, that the balance of the Warrant be read and acted upon at 7:00 o'clock in the afternoon; that the polls be closed at 6:30 P. M. at the 5th District and at 7:00 P. M. at the Central Polling Place, and that our next Town Meeting be opened at 10:00 o'clock in the forenoon at the Central Polling Place and at 10:30 o'clock in the fore-

noon at the Fifth District Polling Place. Motion seconded and voted in the affirmative by voice vote.

Polls closed at the 5th District at 6:30 P. M. and the Central Polling Place at 7:00 P. M. Ballot boxes were locked — ballots to be counted at conclusion of consideration of remainder of Warrant.

At 7:30 P. M. Moderator Gordon F. Burns resumed the reading of the Warrant. He first briefed the meeting with his intention of keeping order; seeing to it that every person present may be heard; defined the right of appeal — requiring recognition by the Moderator; and that a motion to repeal must be supported; debate is limited and that the Moderator can only put the question with a majority vote deciding the outcome.

ARTICLE 1. It was moved to dispense with the reading of the warrant. Seconded and voted in the affirmative by voice vote. (Copies of the Warrant in Town Report brought to meeting by most in attendance.)

ARTICLE 2. Budget article. It was moved and seconded to amend article by striking out last clause 'county tax not included' and insert 'whatever county taxes may be levied'. Amendment voted in the affirmative. Motion to adopt article as amended was seconded and voted in the affirmative by voice vote.

ARTICLE 3. Moved and seconded and voted in the affirmative by voice vote. Authority to borrow.

ARTICLE 4. Moved and seconded and voted in the affirmative by voice vote. Administer or dispose of Real Estate.

ARTICLE 5. A discussion of the disposition of the old Fire House was clarified by Selectmen Nickerson who also invited comments from the townspeople for guidance in the matter. It was moved and seconded to authorize the Selectmen to act in the best interests of the town, and voted in the affirmative.

ARTICLE 6. It was moved, seconded and voted affirmatively to raise and appropriate \$1,615.00 to finish off fencing the Ball Park and replace back stop of tennis courts at Barnard Playground.

ARTICLE 7. It was moved, seconded and voted affirmatively to accept the gift of Ambrose and Cecile M. Hamelin, of land to be used for streets named Hamelin, Ambrose and Chip.

ARTICLE 8. Which was not printed in the Town Report was read and reread on a Point of Order from the floor. Printed Article 8 became Article 9. The new article to see if the town would vote to accept a gift by deed for a right of way (40) forty feet wide extending (300) three hundred feet Northwesterly from North Mast Road and to lay out, accept and improve said street over said land, said street to be bulldozed to grade by said Gamache. A motion to amend the article by inserting 'and gravelled' after the words 'bulldozed to grade' and the addition of 'approved by the Selectmen'. The motion to amend was seconded and voted in the affirmative. A rereading of the article as amended resulted in a motion to approve the article and was seconded and voted in the affirmative.

ARTICLE 9. (Warrant No. 8) Motion was made after considerable discussion to accept article with amendment to make it retroactive to January 1, 1963. Moderator ruled that a "Yes" or "No" vote on Article including amendment would be in order as there had been sufficient discussion. The voting by show of hands.

TRUSTEES' REPORT GOFFSTOWN PUBLIC LIBRARY 1963

The year 1963 has been one of progress and accomplishment for our Library. We wish to thank the Garden Club for the beautiful floral display along the walk, also the many other civic clubs that have donated time and money to various projects connected with Library work. Many displays were placed in the cabinet in the lobby by organizations and individuals that added beauty to the room and created great interest.

The following improvements have been made: the chimney has been thoroughly cleaned and repaired; combination windows and screens have been installed on the balance of the windows; the childrens' room,

lobby, entry way, and ladies' room were painted to match the main reading room; new curtains were installed on all windows; new matting has been placed on the floor in front of all open book shelves; a new fluorescent light was installed in the lobby; and a granite curb was installed both sides of the lawn.

In addition to this, through co-operation with the State Library, with the sound advice and assistance of our very efficient Librarian, Mrs. Dorothy Vickery, our purchase of books and magazines has been maintained in spite of the fact that the cost of books has increased about thirty per cent.

At the start of the year a new financial system was adopted by which the Trustees know at all times the amount of money that has been spent for each item and the amount that can be spent for the remainder of the year.

This progress has not been due to the work of any one person but to all the Trustees and Librarian working in complete harmony and co-operation. Best of all this progress has been accomplished and the Library has not exceeded its budget.

For all gifts and help extended by the citizens of Goffstown, as individuals and in groups, your Trustees say "Thanks for everything".

BARBARA E. GATZWEILER, Treasurer,
WILLIAM F. PARKER,
DONALD FAIRBANKS,
GARDNER LAMSON,
ESTHER PAIGE, Secretary,

REPORT OF LIBRARIAN

1963

Progress is being made at your Public Library. New books in all fields of interest are replacing some of the very old publications which have remained on our shelves for so long. You will note an increase this year in the number of new books which have been added. This is due to the gift which was received from the State Aid Fund. All this was spent to improve and update the Reference section. There is still much more that is needed in order to answer the varied questions which are asked.

The Public Library fills a very real need in the community as it offers service to everyone. I feel that it would be very beneficial, especially to the adults, if the library could be open more hours each day. There is a tendency at the present time to show preference to the school-age group, since our reference work all has to be done within the reading room.

Due to steady, continual growth in the use of our library facilities, we should consider expansion in the near future in order to provide the service that is available in other communities of our size.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention, however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop, extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject to play. Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

CIVIL DEFENSE REPORT

1963

This year has seen an increase in Civil Defense activities in the town. We have tried to present a balanced two fold program to prepare for either a wartime emergency or a peace time disaster.

There are activities that deal only with preparation for a nuclear war, the principal one being the National Fallout Shelter Program. In this connection the town has only six buildings that meet the requirements for a Public Fallout Shelter. These requirements take into consideration the area, type of construction, natural terrain surroundings and ability to shelter a minimum of 50 people. There are currently licensed five of these buildings which provide shelter space for 1046 people. It can readily be seen that while these five locations are well scattered throughout all parts of the town there exists a serious need for home fallout shelters. The town had the distinction of having the first public fallout shelter in the state to be stockpiled with emergency survival supplies. The entire cost of this program is paid by the Federal Government.

In the area of programs that can serve in either a war or peace emergency we have organized a 12 man Auxiliary Police force and a training program to be conducted by the State Police is scheduled to begin shortly after the first of the year.

Late in 1963 we were able to secure an ambulance through Surplus Property for \$100.00. At the time

of this writing work is under way to equip and staff this vehicle for emergency use to be available for use with the Fire Department and on call by the Police from the scene of an accident. There will be no private use made of this unit.

A first aid course conducted by the American Red Cross was organized for us by the Associates of the Moore General Hospital. They have also assisted us by preparing a list of people in town that have had medical training.

Respectfully submitted:

ROBERT L. CHASE,
Director,

ARNOLD B. CHRISTIANSEN,
Deputy Director,

LARRY FORTIN,
Assistant Director.

REPORT OF BARNARD PLAYGROUND TRUSTEES

1963

The Barnard Playground has become a year round project with the advent of skating, thanks to Leon Burke and his eager helpers. The rink was such that the school had its Winter Carnical events at Barnard this year for the first time.

The Summer program conducted by Forrest Greenwood and Pamela Anslow was well attended. Participation in tennis reached a new high with two tournaments. This added interest in tennis was partly due to the new fence behind the courts. We hope to be able to finish the job this year, and have asked for funds in a special article of the warrant. We are also asking for funds to do some much needed repairs on the grandstand. Both of these projects are worthy of your support.

Only through your continued interest and support can we best serve you.

HARRY J. ANSLOW,

Chairman.

GOFFSTOWN SCHOOL DISTRICT SUPERINTENDENT'S REPORT

February 7, 1964

To the School Board and Citizens of Goffstown:

I herewith submit my second annual report relative to the schools of Goffstown.

The growing enrollment of the Goffstown Schools has reached a total of 1,236 pupils with the following distribution:

Goffstown High School

Grade 9	102
Grade 10	86
Grade 11	91
Grade 12	66

Total 345

White Building

Grade 7	96
Grade 8	85
Total		181

Maple Avenue School

Grade 1	83
Grade 2	89
Grade 3	92

Grade 4	72
Grade 5	78
Grade 6	78

Total 492

Bartlett School

Grade 1	33
Grade 2	40
Grade 3	24

Grade 4	39
Grade 5	50
Grade 6	32

Total 218

Goffstown is fortunate to have excellent and dedicated teachers and principals in all of its schools. The School Board and citizens are to be commended for the insistence on and unqualified support for the recruitment and retention of good teachers.

The total enrollment which is without additional facilities indicates that the educational opportunity is definitely handicapped by the lack of adequate classrooms. The Goffstown High School remains unreasonably overcrowded. This year the high school art class is housed in a Maple Avenue School supply closet. The pupils in the seventh and eighth grade special class are housed in the room originally occupied by the library. The special area classrooms, such as science rooms, study areas, the substandard classrooms, and many other inadequate facilities make difficult the full utilization of the staff and the proper pupil development of his full potential.

Every informed citizen in Goffstown appreciates the dire need of additional classroom space. Goffstown, like most communities in America, is caught in the swirl of increased enrollments, additional curriculum demands, improved educational standards, increased salaries, and other costs of the educational effort.

The ultimate solution will be the result of a concerted maximum community effort that places pupil welfare above all other interests and relates the educational effort to the combined community's ability to finance the program, the state building aid, and other available support under present and future legislation. An immediate solution is imperative.

The 1964-65 school year marked the initial year in which a fully trained school librarian, Mrs. Suzanne Duncan, is serving at Goffstown High School. This service enables the school to provide (1) materials for pupil and teacher use, (2) encouragement for the development of reading, (3) an opportunity for pupils to engage in research and learn to use a variety of sources of information, and (4) the experience of using a school library and its resources as preparation for post-secondary educational pursuits.

Art has been introduced through an art supervisor, Mr. Roger Lamarre, for the first time this year. In introducing art, it is hoped that it will allow an opportunity for pupils to use varied media to gain freedom of expression, to encourage development of an aesthetic sense, to afford exploration in some of the vocational implications, and the study of art appreciation and the history of art. Experiences in crafts will be included.

In the Goffstown Schools, we are attempting (1) to give each boy and girl a good foundation in the 3 R's, (2) provide a wide range of real and vicarious experience, (3) to relate the work and experience of the secondary school to the needs of the students.

The needs of youth are suggested by the following developed by the National Association of Secondary School Principals. All youth need to:

(1) develop salable skills and those understandings and attitudes that make the worker an intelligent and productive participant in economic life. To this end, most youth need supervised work experience as well

as education in the skills and knowledge of their occupations.

(2) develop and maintain good health and physical fitness.

(3) understand the rights and duties of a citizen of a democratic society, and to be diligent and competent in the performance of their obligations as members of the community and citizens of the state and nation and of the world.

(4) understand the significance of the family for the individual and society and the conditions conducive to successful family life.

(5) know how to purchase and use goods and services intelligently, understand both the values received by the consumer and the economic consequences of their acts.

(6) understand the methods of science, the influence of science on human life, and the main scientific facts concerning the nature of the world and of man.

(7) develop their capacities to appreciate beauty in literature, art, music, and nature.

(8) develop respect for other persons, to grow in their insight into ethical values and principles, and to be able to live and work cooperatively with others, and to grow in the moral and spiritual values of life.

(9) grow in their ability to think rationally, to express their thoughts clearly, and to read and listen with understanding.

The full realization of the ends we seek in education can be attained with the wholehearted support and active participation of every member of our community.

As your superintendent of schools, it is gratifying to know that the citizens of Goffstown not only appreciate but demand good schools, staffed by superior teachers in an atmosphere conducive to the fullest development of our greatest resource — the boys and girls of Goffstown.

I wish to acknowledge the full cooperation which has been extended to me by the school board, the principals, the teachers, the pupils and the citizens of Goffstown in our mutual task of promoting the educational welfare of the students. I wish also to express my appreciation to the Supervisory Union personnel, Mr. Spiro Anastos, Teacher Consultant, and Mrs. Ruth Henk and Mrs. Harold Smith of the office staff.

Respectfully submitted,

ERNEST PELTONEN,
Superintendent of Schools.

THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the Inhabitants of the School District in the town of Goffstown qualified to vote in district affairs:

You are hereby notified to meet at the Goffstown High School in said district on the 10th day of March 1964, at 10:00 o'clock in the forenoon, except those who reside in the Fifth District Voting Precinct, who are notified to meet at the Bartlett School in said Precinct at 10:30 o'clock in the forenoon, to cast ballots from that hour of said day for the following School District Officers:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose a member of the School Board for two years to fill out the remainder of Mr. Emil Bourque's unexpired term.
5. To choose a Treasurer for the ensuing year.

You are also notified to reconvene at the Goffstown High School in said District on the 17th day of March 1964 at 8:00 o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

6. To see if the district will vote to raise and appropriate a sum not to exceed \$900 to erect a 300 foot chain link fence between the Bartlett School property and the Dobe property.

7. To see if the Goffstown School District will vote to accept from Alida Parenteau a deed of gift of a tract of land adjacent to the rear of the Bartlett School property and will vote to raise and appropriate a sum not to exceed \$3,000 for fill for the gulley at the rear of the Bartlett School, including the part of said gulley on land still held by the said Alida Parenteau. (Approved by the Budget Committee.)

8. To see if the Goffstown School District will vote to rescind the action taken on article 11 at the ad-

journd meeting on May 21, 1963. (Inserted by petition.)

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Goffstown this 13th day of February, 1964.

REPORT OF SPECIAL SCHOOL MEETING

May 21, 1963

Adjourned Meeting of the Goffstown School District at High School Auditorium.

Called to order at 8:15 o'clock in the evening by Gordon F. Burns, Moderator. Due to the number that

were still coming into the hall the Moderator adjourned till 8:30. Called to order at 8:30. Alfred W. Poore, Jr. was appointed Asst. Moderator. Mr. Poore made an announcement of a testimonial Banquet and Party for Horace Shirley at the Town Hall on the evening of May 28th. Tickets \$3.00 per person.

Mr. Burns then briefed the meeting on the rules and procedure.

The Chair then recognized Mr. Bourque of the School Committee. He spoke regarding the conditions pertaining to the School situation and moved that we reconsider Article 10 and Article 11. Article 10 & 11 were read by the Moderator. The Moderator ruled that Article 10 could not be reconsidered as it had been reconsidered at the Annual Meeting. Mr. Kohls a member of the School Board spoke regarding the previous vote and the reasons why the District needed a new High School.

On the vote to reconsider Article 11, the Moderator ruled that it would take a 2/3 vote in favor to reconsider. This ruling was challenged by a member of the School Board. A motion made to overrule the ruling of the Moderator. Vote was taken and it was voted to accept the ruling of the Moderator.

REPORT

of an examination and audit of the accounts
of the

GOFFSTOWN SCHOOL DISTRICT
for the fiscal year ended June 30, 1963

made by

THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

July 22 and 23, 1963

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 6, 1963

The School Board
Goffstown School District
Goffstown, New Hampshire

Gentlemen:

Submitted herewith is the report of the examination and audit of the accounts of the Goffstown School District for the fiscal year ended June 30, 1963, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1962 and June 30, 1963, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$155,474.80 during the fiscal year ended June 30, 1963.

Analysis of Change in Financial Condition:
(Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1963, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$7,896.85, less a revenue deficit of \$4,807.41, resulted in a net budget surplus of \$3,089.44.

Summary Statement of Receipts and Expenditures:
(Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1963, is indicated in Exhibit F.

*Building Funds Accounts:*S (Exhibit G-1 and G-2)

Statements showing the activity in the Building Funds Accounts during the fiscal year are presented in Exhibits G-1 and G-2.

School Lunch Account: (Exhibit H)

A statement of the receipts and expenditures of the School Lunch account is included in Exhibit H.

Statement of Bonded Debt: (Exhibit I)

A statement of outstanding bonded indebtedness of the School District as of June 30, 1963, showing annual debt service requirements, is contained in Exhibit I.

Statement of School Tax Account: (Exhibit J)

Exhibit J presents a statement of the School Tax account with the Town of Goffstown. As indicated therein, as of June 30, 1963, the School District had received from the Town the total of the 1962-63 School Tax in the amount of \$408,011.46.

General Comments

Current Surplus:

The current surplus (excess of total assets over cur-

rent liabilities) decreased from \$21,683.46 to \$3,208.66, during the fiscal year ended June 30, 1963, as shown herewith:

	June 30, 1962	June 30, 1963
Total Assets	\$33,669.39	\$15,292.19
Current Liabilities	11,985.92	12,083.53
Current Surplus	\$21,683.46	\$ 3,208.66

Unexpended Balance of Maple Avenue Addition Construction Fund:

Included in the accounts receivable in the Balance Sheet of June 30, 1963 (Exhibit A) is the item:

"Unexpended Balance of Building Construction Fund due from Town of Goffstown — \$11,340.08"

The annual School District meeting of March 1962, voted to transfer the unencumbered balance, plus accrued interest, remaining in the Maple Avenue Addition Construction Fund to the General Fund to be used for the purpose of reducing the School Tax for the year 1962-63. In accordance with this vote the balance of this fund, plus the Cash Surplus in the general fund, amounting in total to \$32,904.32, was used to reduce the School Tax.

Subsequently, in October 1962, the balance of this fund, plus accrued interest, amounting to \$11,340.88, was transferred to the Town by the School District. By so doing, the School District actually used this fund

twice; once to reduce the school tax and the second time in paying it over to the Town.

To correct this error, the Town should reimburse the School District in the amount of \$1,340.08. Any surplus resulting therefrom will be used to reduce the School Tax for 1963-64.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report of the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Goffstown School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director,

*Division of Municipal Accounting,
State Tax Commission.*

O. MAURICE OLESON, *Auditor*
LAURENCE M. BEAN, *Accountant.*

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Goffstown School Dis-

trict for the fiscal year ended June 30, 1963. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1963, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER,

Director,

*Division of Municipal Accounting,
State Tax Commission.*

O. MAURICE OLESON, *Auditor*
LAURENCE M. BEAN, *Accountant*
